

Fleet Makes History

Did You Know?

- We recently made the Top 100 Best Fleets ranking #88. (Featured in Twitter & Government Fleet website)
- We received Honorable Mention as we participated in the Government Green Fleet Awards. (Government Fleet website)
- Our fleet operations were recognized for the job that we do for all of our districts during one of our Tent Meetings.
- David Lopez, Paul Ozuna, Refugio Cantu and Russell Anderson were honored for their participation in the storm support during the Sandy Hurricane. They were recognized by the crews for being 'First up and the last down' as they had to repair and maintain 50 of the units while in severe weather and under distressed conditions. (Featured in Facebook).
- Awarded AC-Delco plaque for training.
- Tommy Johns received the Excellence in Maintenance Management Award for the state of Texas through TMTA.
- CPS Energy was recognized by TMC for chairing the Safety/Environmental station at the SuperTech skills competition and delivering a safety seminar to all participants.
